

Konrad Gandziarski – Quality Management Director

Konrad has worked in the business of the sale of IT services and solutions since 2004. He joined IT Kontrakt in early 2010 as Key Account Manager responsible for the cooperation with clients and securing new business areas. From 2012, as Regional Sales Manager, he built the competences of sales teams responsible for business development to take over the role of Regional Director in 2016, in which he was in charge of branches in Wrocław, Cracow, Gdańsk, and Katowice. On March 1, 2018, Konrad took over the position of Quality Management Director to develop and streamline IT Kontrakt Group's quality area.

Konrad is a graduate of the Faculty of Electronics and Telecommunications of Wrocław University of Science and Technology, a post-graduate course in management, and the programme "Logistics in Business", which he completed at the Wrocław School of Banking. Additionally, he is a holder of certifications in the fields of ITIL, PRINCE2, Agile, and Six Sigma. Currently, Konrad is developing his competences in the areas of ISO and GDPR.

As for hobbies and interests, he's a fan of optimisation and streamlining, as well as downhill skiing and family life. Thanks to his wife, he begins to see the beauty of foreign trips to remote places off the beaten track.
