

Magdalena Brylska – Talent Acquisition Director

She has been professionally active in the IT market since 2010. While Magdalena's adventure with IT Kontrakt started in May 2016 with her appointment to the position of the head of Warsaw recruitment team, since October 2017 she has been responsible for the whole of the company's recruitment strategy. Her task is to develop and implement the global recruitment and Employer Branding strategy. Prior to her tenure with IT Kontrakt, she worked for organisations including IIC Partners Executive Search Worldwide, SII, Astek, Vlog, Divire (formerly Devonshire), and ITMAGINATION.

Magdalena graduated from the Faculty of Psychology at the University of Finance and Management in Warsaw with a specialisation in the field of Psychology of Entrepreneurship and Management.

Magdalena's top pastime activity is travelling, preferably with a good book. She's keen on cycling while listening to her favourite music and also improving her knowledge of IT at training sessions and during talks with inspiring people.
